- The 15% discount is based on the estimated retail price in USD; however, actual prices may vary by country, exchange rate and local taxes. Each individual acquiring a subscription in connection with the Offer (the "Subscriber") is responsible for all related taxes. The Offer is valid only for a new twelve (12) month subscription to TechNet Subscriptions Professional and may not be combined with any other promotions, discounts or offers. The Offer is limited to one (1) per individual Subscriber and may not be used on volume license orders. For details on your use rights for evaluation software, evaluation and testing usage scenarios and a list of product titles included with your new subscription to TechNet Subscriptions Professional, please visit: <http://www.microsoft.com/technetsubscriptions> and become familiar with the Microsoft TechNet Subscriptions Software License Terms, the TechNet Terms of Use, and the Microsoft Privacy Statement.
